Dear Parents:

Welcome to a new school year! Each month I will issue a parent letter. The letter will list the skills that will be covered in the coming month. I will also use the letter to make announcements and issue reminders.

The Thematic Units for the month of September will be

Here are some of the skills that we will be working on in September:

- Letter / letter sound recognition (**Aa, Ww and Dd**)
- Recognizing student's own name & some letters in their first name
- Printing the letters in their first name with modeling and support
- Basic color recognition and using color words in Spanish and sign language
- Demonstrate one-to-one correspondence when counting 10 objects or more.
- Throwing and Catching a ball
- Sorting and classifying objects by one or more attributes (Example-size color and shape)
- Religion – God made me, my family and my friends
- Observing and comparing parts of apples and the physical characteristics of different seeds.
- Understand and use names of shapes when identifying objects (Example-circle, square, triangle, rectangle, oval and diamond)
- Learn to manage emotions and actions
- Develop the ability to use simple strategies to resolve conflicts with peers

Thank you very much for your support.

Sincerely,
